## **P1 PARAWING**

Power Redefined in Watersport Foiling

Imagine carving effortlessly downwind, unbound by the limitations of traditional inflatable wings or complex bridle setups. The Aeryn P1 Parawing takes you further—upwind in a breeze, downwind riding the swell—with unparalleled ease.

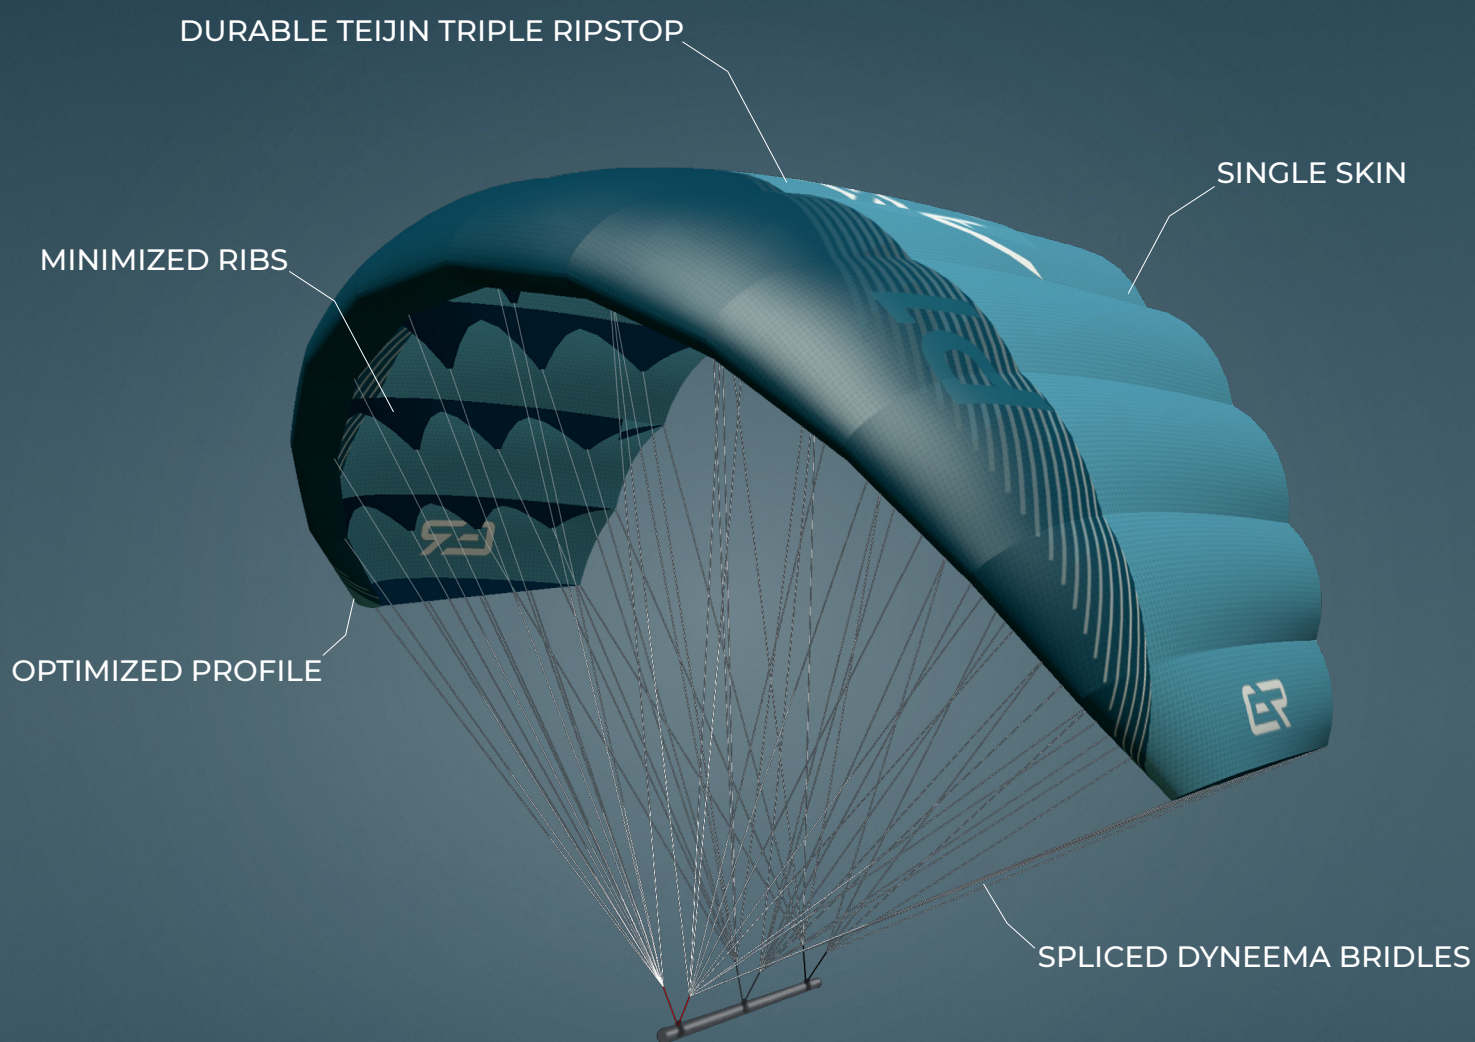

This is more than a wing; it's a revolution in windfoiling. Designed by the same innovators behind two decades of high-performance foil kites for Peter Lynn and PLKB, the P1 brings simplicity and performance to every session.

Ultra-light and ready to launch in seconds, the P1 is free of unnecessary complexities—just throw it into the wind, and you're on your way. And when you're ready to focus solely on your ride, it packs away effortlessly, leaving you free to experience the elements without distraction.

Ready to experience the freedom of breaking away from traditional setups?

The Aeryn P1 invites you to redefine what's possible in watersport foiling.
