

Predator Shoe Split Toe 3mm Armoured

401.10150.000

The Prolimit predator unisex shoe is our only armored shoe on the market. The armored insole protects you from sharp objects which can cut into your feet. The 3mm neoprene makes sure your feet stay warm. The boot has a reinforced heel for extra support. The difference between the rt and st is that this boot has a round toe, the split toe allows you to have more balance and control.

- Armored Aramid insole
- DCS (Direct contact sole)
- Airflex 500+ limestone neoprene
- Heel webbing loop for easy access
- Foot lock arch control rubber
- Flatlock seams
- OCL (Orthopedic controlled last)
- Water based glue, anti-allergic, environment friendly
- Heel lock reinforcement
