

Flare Steamer FreeZip 5/3 DownAirflex – GBS

400.25057.020

The Prolimit Flare free zip wetsuit for women is completely new in our collection this year. It is a high quality wetsuit and because of the 5mm neoprene, perfect for colder conditions. The suit has neoprene with Airflex which makes it a very warm but still very flexible suit. The seams are triple glued and blind stitched, which means that the seams are watertight. Compared to the Flare steamer this suit has a free zip (a zip that has to be attached at the front) for easy access.

- GBS (triple glued and blind-stitched)
- Airflex 500+ limestone neoprene
- Zodiac2plush inside lining
- YKK Freezip construction
- Water block collar
- KED, Knee Elongation Design, freedom of movement
- Velvet Quick Dry lining
