

**STX iWindsurf RS**

406.21000.000

The iWindsurf is a dedicated windsurfing board ideal for everyone. It's outlines are designed for a great and smooth windsurf session. The iWindsurf is great for beginners but also a lot of fun for the more experience surfer. Because it's an inflatable board it's easy to transport and take with you on all your sessions.

- FXL Technology Extreme stiffness and lightness
- Stable, wide outline, low drag, torsion-optimized
- Center US box fin for lateral resistance
- Twin back fins (US Box 26)
- 4 adjustable and removable footstraps
- Easy packing and transport
- Railsaver for easy water release and early planing
